The background image shows a vast landfill under a grey, overcast sky. In the foreground and middle ground, several people are seen scavenging through a massive pile of discarded plastic bags and other waste. One person in the center wears a dark beanie and carries a large brown sack on their back. To the left, another person in an orange shirt is visible. In the background, a yellow bulldozer is partially obscured by the waste. Two birds are captured in flight against the sky. The overall scene conveys a sense of environmental neglect and informal waste management.
